#### **DESCRIPTION**

Welcome to a truly unique beachfront residence in Benidorm, where luxury, comfo	rt, and sustainability come
together. This stunning new development is ready to move into and offers just 39 e	exclusive homes with 2, 3, or 4
bedrooms, spread across 20 floors — each one designed to maximize space, light,	and breathtaking sea views.
Set in one of the most privileged spots on the Mediterranean, right next to the histo	oric Gran Hotel Delfín, these
apartments offer something rare: direct beach access with privacy and peace. Every	home features a spacious
terrace, underground parking, and a storage room.	
Unlike most buildings on the seafront, this residence is thoughtfully set back from t	the shoreline to create a lush
green platform and a spectacular infinity pool that seems to flow right into the sea.	It's designed not just to
impress, but to live better — with a strong focus on energy efficiency and sustainab	oility, certified <b>LEED Gold</b> by
the U.S. Green Building Council.	
Here, you'll enjoy:	
•	
A 350 m² elevated infinity pool with uninterrupted sea views	
•	
Rooftop heated pool and social club on the 19th and 20th floors	
• NEODMATIONS	DEFEDENCE OF CODE
