DESCRIPTION

Stylish New Townhouses in Mijas

Set on Spain's beautiful Costa del Sol, this new development of 3- and 4 bedroom townhouses combines modern design with everyday comfort. Each home offers bright, spacious interiors, private gardens, and fully equipped kitchens—ideal for families, couples, or anyone looking for a lasting investment.

The community is designed with a relaxed, resort-style feel. Residents can unwind by two large pools with chill-out areas, stay active in the gym, or work remotely from the on-site coworking space. A social club adds a friendly, neighborhood atmosphere.

Every detail is considered, from central air conditioning and premium appliances to reinforced front doors and secure gated access.

Perfectly located, the complex sits opposite a Mediterranean pine forest, just 10 minutes from the beach and 20 minutes from Málaga Airport. The new Costa del Sol Park is only 800 meters away, and golf lovers will find two courses nearby.

This is more than a home—it's a chance to enjoy the best of coastal living in a peaceful yet connected setting.
