DESCRIPTION

Set in the tranquil surroundings of La Cala de Mijas, this contemporary 3 bedroom, 2 bathroom town house stands out with its unique architectural silhouette and harmonious integration with the natural landscape. The design draws inspiration from the classic pentagonal house form, evolving into a modern interpretation that interacts beautifully with the existing vegetation and the coastal breeze.

Natural wood accents are thoughtfully incorporated into the villa's cladding, enhancing its connection to the outdoors and emphasizing a philosophy of pure, elegant lines. The staircase, conceived as a sculptural centerpiece, transforms the living area into a space reminiscent of an art gallery.

- Optimized interior spaces for comfort and functionality
- Distinctive sloping roof design for architectural individuality
- Located just minutes from the beaches of the Costa del Sol and Chaparral Golf Club
- Easy access to Mijas old town, Marbella, Fuengirola, and Málaga airport

Enjoy a peaceful setting with quick connections to vibrant nightlife, shopping, and the renowned Chaparral Golf Club, all within a short drive. The villa's design and location offer an exceptional blend of serenity and convenience on the Costa del Sol.
