DESCRIPTION

Set in the tranquil surroundings of La Cala de Mijas, these newly built semidetached villas present a striking architectural profile inspired by the classic pentagon silhouette, reimagined with modern, elegant lines. The design harmonizes with the natural landscape, integrating materials like natural wood to foster a seamless connection with the environment.

Each villa stands out with its unique roofline, creating a distinctive skyline along the Costa del Sol. Inside, the sculptural staircase elevates the living space, adding an artistic touch to the home. The layout of the 3-bedroom, 2-bathroom villas is thoughtfully planned to optimize space and flow between living areas.

- Located just minutes by car from the charming town of Mijas and its historic old town
- Easy access to Marbella, Fuengirola, and the vibrant nightlife of La Cala de Mijas and Puerto Banús
- Close proximity to the beaches of the Costa del Sol and Chaparral Golf Club
- Only 20 minutes from Marbella and 30 minutes from Málaga airport

The Chaparral Golf Club, nearby, offers an 18-hole course surrounded by Mediterranean forest, enhancing the region's natural beauty where mountains meet the sea.
