DESCRIPTION

This project is hidden in a mountain valley just below the picturesque homely village of Mijas Pueblo. In a mountain valley with wonderful water views from these 12 magnificent villas in a modern style, all with a large private terrace and private pool. The large open modern open areas with open kitchen to the living room and the welcoming grand entrance that enchants with its water views. The properties are built in plastered white facades with elements of wood and the brown and gray paving feels modern but at the same time it blends into the mountainous and green environment. This part of the coastline is only 15 minutes by car to Fuengirola and about 30 minutes to Marbella. The high position provides both pleasant water and mountain views. In Mijas Pueblo, which is a very picturesque older tourist village, it is crowded with restaurants and bars and small shops with tourist attractions. Mijas history goes back a long way and off the coast was a trading center on the important Roman road between Malaga and Cadiz. The properties are built from 151 m2 with three bedrooms to a full 291 m2 with terraces from 73 m2 to 209 m2. Choose between a smaller property with pool from € 795,000 to a larger property with associated large garage up to € 1,025,000. Enjoy the best in construction to the location with proximity to the airport, Puerto Banus and the beaches and the tourist life at the beaches of Fuengirola just 15 minutes from the properties.
